GALAXY GL BAL
GROUP OF INSTITUTIONS
...Pursuing Excellence

Late Sh. Devi Chand Goel
(20th April 1942 - 2nd October 2010)

Founder's vision....

An organization progresses on the strength of its values, discipline and dedication. The name of galaxy will shine as long as we uphold these principles in true spirit. !

ABOUT THE GROUP

Galaxy Global Group of Institutions

Galaxy Global Educational Trust is an established name in the field of education. The Trust was founded with an avowed aim to spread professional education among the rural masses of Haryana. The Trust opened its first college in the sylvan surroundings of Dinarpur under the title Galaxy Global Group of Institutions. This institution has already become the first choice of every student, who wants to pursue B.Tech, B.FAD, MBA (2yr, & 5 yr.), PGDM, BBA, BCA or MCA. The students of this institution have performed extremely well in the Kurukshetra university examinations bagging several university positions.

Goel International also runs a school called Cygnus High World School in Ambala District. Mr. Vijay Goel is trying to give a strong platform to the children by providing healthy environment. He is committed to provide quality education, training & moral values to the students so as to develop their overall personality & make them good and responsible human beings.

Cygnus High World school

Goel International Pvt. Ltd.

Goel International Pvt. Ltd. which holds an enviable position in the export of quality rice have taken their brand Galaxy into more areas than just rice. They have a dream to be at the forefront of all round development of the nation. Education and construction are two other major sectors they have forayed into with success and dedication.

An integrated Mall at Ambala is another key area where the Goel International have entered into . To bring the best of entertainment and retail facilities to the people of Haryana and add a new milestone in the fields of engineering and architecture are the main ideas that have gone into the making of Galaxy World Mall.

Galaxy World Mall

Vision

To be an institute of academic excellence with total commitment to quality education and research in various fields with a holistic concern for better life, environment and society.

Mission

To support technical revolution that can meet the challenges of the emerging scenario of the globalisation and liberalisation with the key elements of competition rather than protection by making the technical education accessible to the young generation of the nation.

Quality Policy

We at Galaxy Global are committed to provide quality education, training and skills to all our students so as to improve the quality of their life by improving their capabilities, thinking process, practice and performance in the engineering, management, computer applications and fashion designing.

Quality Objectives

GGGI has a tryst with excellence. We strive for excellence ensuring a trust of superlatives – students, faculty and infrastructure; cohabit in a congenial and conducive environment and to sustain and develop its identity as a teaching institution of high caliber and provide an outstanding educational environment that support quality learning across a broad range of academic disciplines and providing – “Industry –ready” students equipped with high personal and professional achievements.

Chairman's Message

We at Galaxy Global Group of Institutions (GGGI) believe that for an educational institution, the main objective lies with grooming the students for future, not merely in certain skills but also as a good human being. Our vision is to build up world-class professionals carrying a firm value system. We are proud to provide quality education to students for developing holistic competence and handle exigent corporate situations in the current globalised world. Students who are interested in pursuing higher education will discover an achiever within themselves after completing their course from GGGI.

The campus location on the bank of vedically significant river Markanda proffers an impression of yesteryear's gurukuls. We commit ourselves to instill our precious students with the best of Indian tradition and culture. While distributing knowledge, we would provide the best of infrastructure as well as academics facilities.

By adding-on classroom lessons on management practice and theory along with the industry exposure, GGGI endeavors to prepare future professionals in a way that they become great assets for an organization they work in.

Best Wishes and Welcome to Galaxy Global Group of Institutions (GGGI)

Vinod Goel
Chairman

Vice Chairman's Message

It is high time to realize the scarcity of technocrats and Managers in our country. With current advancements, emergence of qualified professionals has become the call of the hour to share the responsibility of growth and governance. In this magnanimous job, GGGI is committed to produce the best of professionals. The primary focus of the institution is to expose the young minds to the world of technology, instilling in them confidence and fortitude to face new challenges that enables them to excel in their chosen fields. The GGGI inculcates the development of all facets of the mind culminating in an intellectual and balanced personality. Our team of dedicated and caring faculty strives to widen the student's horizon of learning thereby achieving excellent results for every students. Our approach is to blend theoretical concepts of the University curriculum with practical applications relevant to the industry thereby providing meaningful education which contributes to the holistic development of the students. We believe in a teaching-learning environment, which is stimulating and is meant for lifelong success. Students are able to enrich their knowledge, competency and values through interactive lectures, interactive group discussions, presentations, assignments and projects.

I am extremely pleased to welcome all of you in being a part of the Galaxy Global family. I pray to the Almighty to bless you with bright future.

Vijay Goel
Vice Chairman

General Secretary's Message

Galaxy Global Group of Institutions (GGGI) was established in the year 2009 with the support of Galaxy Global Education Trust, which is managed by well-known educationists, renowned managers and many prominent social reformers. Our institute primarily focuses on creating top-notch infrastructure facilities as well as achieving brilliance in the field of education by presenting a genial environment for learning.

We are very determined and resolute to make Galaxy Global Group of Institutions (GGGI) as a top institute in India by developing a value based educational system along with producing proficient Human Resources so as to encounter the challenges in the globalized world.

Best wishes.

Krishan Goel
General Secretary

Director's Message

We at Galaxy Global Group of Institutions (GGGI) are proud to infuse management, engineering and entrepreneurial skills in the aspirants with a strong vision to transform them into global leaders in the highly competitive world of today.

It is one of the key challenges for all the institutes to deal with the cutthroat global business. Galaxy Global Group of Institutions with its excellent educational environment and wide industrial exposure endows great understanding and skill-sets to face and meet the challenges of the global market. Well qualified and richly experienced faculty of GGGI always stands behind their students. The interaction of our student-faculty with the renowned professionals of the corporate world assists to groom and project our engineering and management students as world-class expert leaders.

Conference rooms, centralized library, seminar halls, well-equipped labs, air-conditioned hostels, Group Discussion or GD rooms, cafeteria, communication labs, lecture halls and an amphi-theatre are main parts of the GGGI's infrastructural development which is carried out to make it a leading institution carrying global standards.

I am extremely confident that students who would pass out from GGGI would become world-class technocrats, leading managers and most importantly good human beings in the future.

Dr. Sorabh Gupta
Campus Director

Newly Established Institution

Galaxy Global Institute of Pharmacy Programs

B.PHARMACY*

*to be started soon.

D.PHARMACY

(Approved by PCI & affiliated to HSBTE Haryana)

No. of Seats: 60

Duration: 2 Yrs.

Eligibility: 10+2 passes from Board of School Education, Haryana, or Examination from a recognized board/University in any of the following examination with pass in Physics, Chemistry and Biology/Math.

CAREER IN PHARMACY

A profession in B Pharmacy and D Pharmacy: Opportunities for Employment, Potential for Growth, and Career Prospects in the Medical Industry.

The profession of pharmacy has become increasingly significant in recent years, particularly amidst the global Covid-19 pandemic. The field of pharmaceutical science is expansive and constantly evolving, addressing the research, creation, and production of drugs and related merchandise. With the exponential expansion of India's Pharmaceutical Industry, the demand for qualified pharmaceutical graduates has skyrocketed. Aspiring individuals may choose to pursue either of two undergraduate-level courses in India to enter the pharmaceutical sector: B. Pharmacy or D. Pharmacy.

Jobs opportunities for B. Pharmacy & D. Pharmacy Students:

- Pharmacist
- Hospital Pharmacist
- Medical representative
- Medical content writer
- Community Pharmacist
- Drug Inspector
- R&D Scientist

Why Galaxy Global?

What makes GGGI Different?

- Centrally AC building
- 100% Placement opportunities
- Cisco Certified Computer Labs
- Uninterrupted Power Supply 24x7
- English Language Lab
- Medical facilities Available 24x7
- Sports facilities at the campus (Both Indoor & Outdoor)
- Wi-Fi enabled with 12 mbps lease line
- CCTV Surveillance at campus for security purpose
- Separate 500 bedded Centrally AC hostels each for Boys & Girls
- Digital Central Library spread over 35,000 Sq. ft having 45000books
- Transport facility from Ambala ,Karnal , KKR, Ladwa, Pehowa, Ismailabad, Barara , Naraingarh

We provide you with a perfect avenue to sharpen your abilities and skills. Galaxy Global is the best place for aspirants who want to make their career as professional . We understand what it takes to excel in international business and accordingly prepare students to reach the top through wide-ranging professional options. Besides Computer Applications, Fashion Designing, Engineering and Business Administration, we also offer scores of other courses that enable students embark on many superb career opportunities. We also know that sustainable growth of the students depends on a solid foundation and thus aim to provide them with the best educational environment.

The administration holds a keen vision to provide state-of-the-art facilities as well as the best educational environment . Top-notch facilities and world class infrastructure complemented by the standards of global education has helped Galaxy Global to obtain rock-solid footing and great heights.

The campus of GGGI at Dinarpur, Ambala, 3 kms away from G.T. Road, is spread across the area of 30 acres with pollution free environment and centrally air-conditioned beautiful buildings. More than 7 lakh sq. ft. is already developed with separate buildings each for Academic Block, Cafeteria, Computer Block, Mechanical & Civil Engineering Block, Two multipurpose auditoriums, Staff residences, Boys hostel, Girls hostel, Guest House and an Amphi-theatre spread across the area of 35,000 sq.ft..

Top quality imported Equipment and Machines: Japanese sewing/stitching machines along with other important accessories are used in the Fashion and Apparel Design Lab. Real time students progress reports: ERP- Enterprise Resource Planning System enables the students, their parents as well as the faculty to get a synchronized 360 degree analysis of the performance of students.

Galaxy of Professionals

Our strength lies in our well-qualified, highly experienced and competent faculty who hold top academic credentials accredited by front-line universities. Their rich pedagogic resourcefulness has helped us to build a great reputation all over India. Students of Galaxy Global are indeed fortunate to have the opportunity of benefiting from their experience, proficiency and mentor-care. These are all assets of Galaxy Global which help us to constantly evolve in the prevailing cut-throat competition.

We are backed by a highly qualified and experienced Faculty with most of them being Ph. D or M. Tech. We have an immensely innovative and pioneering panel of professionals who through their in-depth knowledge, experience and expertise hold the ability to transform varied technological aspects of learning into extremely practical, easy and simple lessons to enable students comprehend the subjects easily. With the aim to provide students with a global outlook, from time to time we invite guest faculty as well as well-known professionals from the corporate world to interact with them.

Dr. Rajkumar, is the Director at GGGI. He has worked in various institutes on the post of Director in the state of Haryana. He is Ph. D. holder in the field of Mechanical Engg. He has written many research papers & books in his field.

Prof.(Dr.) R.R. Azad is the Director(Administration) at GGGI. He is the author of the five books, more than 80 research papers in National & International Journals. He has also presented more than 163 papers in various National & International Conferences. In his long & esteemed career of 46 Years, Dr. Azad served as the Principal of J.V. Jain P.G. College, Saharanpur, UP and Prof. & Dean, Faculty of Humanities, in Mohd. Ali Jauhar University, Rampur, UP. Besides this, he has been also a member of the various committees/panels of UGC and academic associations.

Dr. A. Sarada Devi Anne, Professor and Dean, Faculty of Applied Arts and Crafts, is a renowned name in the field of clothing and textile. She served as Dean of Home Science, Acharya N.G. Ranga Agricultural University, Hyderabad before joining GGGI

All of them have been members of Academic Councils and Board of Studies of several universities and have been associated with other academic and related bodies dealing with various student activities. In addition to the teachers, all the faculties have a number of well trained supporting staff who help the students in gaining practical experience in the workshops and various laboratories.

Programs at GGGI

Bachelor of Technology (B.Tech Hons.)

	Number of Seats
• AI & Machine Learning	30
• Data Science	30
• Internet of Thing (IoT)	30
• Cyber Security	30
• Smart Cities	90
• Green Buildings	90
• Robotics & Automation	30

Duration: 4 Year

Eligibility: Passed 10+2 with 45% marks (42.5% for SC/ST) or equivalent CGPA with PCM as mandatory subjects

Bachelor in Business Administration (BBA)

• BBA- Agribusiness	40
• BBA- General	90

Duration: 3 Year

Eligibility: Passed 10+2 with 40% marks in aggregate in any stream with English as a compulsory

Bachelor in Computer Applications (BCA)

• BCA- Cloud Technology & Information Security	40
• BCA- General	90

Duration: 3 Year

Eligibility: Passed 10+2 with 50% marks (47.5% for SC/ST) in aggregate OR Compartment in any one subject.

Master in Business Administration (MBA)

Specialization: HR, Marketing, Finance, International Business (IB) 60

Duration: 2 Year

Eligibility: Passed with 50% marks (47.5 % for SC/ST) in aggregate in Bachelor degree

Master in Computer Applications (MCA)

Duration: 2 Year 30

Eligibility: Passed with 50% marks (47.5% for SC/ST) in aggregate in Graduation with Mathematics as compulsory subject up to 10+2

Bachelor of Fashion & Apparel Design (BFAD)

Duration: 4 Year 30

Eligibility: Passed 10+2 in any stream with 5 subjects including English as a compulsory subject.

Bachelor of Fashion & Apparel Design (BFAD)- Lateral Entry

Duration: 3 Year

Eligibility: 50% marks (47.5% for SC/ST) in one of the following:

1. Diploma of 3 year in FD from a recognized board.
2. 2 Years certificate course (after 10th) + diploma of 2 years in FD from a recognized board.
3. 2 Years Diploma in FD after 12th from a recognized board.

Master of Technology (M.Tech)

• Civil Engineering	24
• Computer Science & Engineering	24
• Mechanical Engineering	24
• Electronics & Communication Engineering	24

Duration: 2 Year

Eligibility: Passed with 50% marks (47.5% for SC/ST) in B.Tech.

MCA/M.Sc. (CS or IT) would also be eligible for admission in M.Tech (CSE)

Bachelor of Technology (B.Tech.)

• Civil Engineering	90
• Computer Science & Engineering	30
• Mechanical Engineering	30
• Electronics & Communication Engineering	30
• Electrical Engineering	30

Duration: 4 Year

Eligibility: Passed 10+2 with 45% marks (42.5% for SC/ST) or equivalent CGPA with PCM as mandatory subjects

Bachelor of Technology-Lateral Entry (B.Tech-LEET)

• Civil Engineering
• Computer Science & Engineering
• Mechanical Engineering
• Electronics & Communication Engineering
• Electrical Engineering

Duration: 3 Year

Eligibility: 50% marks in Diploma of 3 Years (after 10th) Or Diploma of 3 Year (after 12th)

Seats: 10% of the total sanctioned intake+ left over seats of the previous year.

Various Committees at GGGI for upliftment of staff & students

- Anti Ragging Committee
- Women Grievance Cell
- Single Window Solution for all problems
- Hostel Improvement Committee
- Extra Co-Curricular & PDP Committees

ANTI RAGGING

Ragging is strictly banned in Galaxy Global. In this matter, we are known for having zero tolerance. According to the ruling of hon'ble Supreme Court of India, in case the applicant for the admission is found to have indulged in ragging in the past or if it is noticed later that he has indulged in ragging, admission may be refused or he/she shall be expelled from the institute immediately.

No Ragging! Ragging is an Offence

Infrastructure & Facilities

At Galaxy Global our endeavour has been to include nothing less than the best whether it is the library, residences, laboratories, workshops, class rooms, recreational facilities, transport or anything else. We have tried to leave nothing to chance. Galaxy Global Group of Institutions has all of them.

All the buildings are centrally air conditioned and the institute has installed several soundless generators to remove the bottleneck of power supply. To facilitate the free and fast flow of information on the campus, all the buildings are connected by intercom. The institute has its own water supply and sewerage system.

Library

Library

The GGGI has a well established library which caters to the need of the undergraduate and post graduate students and the faculty. The Library provides a neat, well-stocked and peaceful corner for all those knowledge craving minds that venture to drown in the world of knowledge and information. The separate reading rooms and desks with neatly arranged racks flashing the latest journals and magazines on display provide the perfect ambience to the ones who are eager to know more.

The Central Library of Galaxy Global is located in the heart of the institution and is therefore easily accessible to the departments, classrooms and hostels.

Galaxy Global has an excellent well equipped centrally air-conditioned library having ever increasing collection and a wide range of books on various topics. The library is the hub of academic life of campus with a covered area of 35,000 sq ft. It has got a collection of over 45,039 books. Our library has self access facility for students and faculty through automated computer software. It also subscribes to 960 National/International online Journals, 138 Print Journals and 25 magazines regularly. Besides, the Institute is also a member of a number of national and international online libraries. Air conditioned reading room provides for self study sessions with a good collection of audio-visual aids. Library also provides an optional book bank facility for the students.

Whole of the library is fully air-conditioned and well connected with wi-fi. E-library enhances the academic strength of the institution.

Internet Library :

Internet library is the main attraction of it. Fully computerized automated library management system is available for the issue, search, return of the books. Digital library has more than 2000 CDs/DVDS.

E-Library :

It is a place where students can get access to the paid e-books and journals which are available to them free of cost. All the reading material of international level is made accessible to the students for better understanding on global issues. Besides this , the institute is an institutional member of National Digital Library of India & DELNET(Developing Library Network).

Language lab :

The art of communication in the present world needs no emphasis. To better the communication skills of our students, Galaxy Global has established a language laboratory equipped with several latest user friendly systems loaded with appropriate softwares along-with all the necessary attachments like head phones, etc.

IBM Lab :

Keeping the need of skilled learning in mind, GGGI has opened an IBM Lab which is well equipped and the course criteria is designed under the supervision of IBM professional.

Girls Hostel

Hostel

The Institute offers separate 9 storey hostel facilities for boys and girls keeping the homely care in mind. Adequate security arrangements have been provided for safety and security of the inmates to ensure a pleasant stay. The air-conditioned residential apartment suites consist of single rooms with an attached bathroom. There is also the facility of the lounge with 3 rooms equipped with all latest facilities. The hostel is well connected with wi-fi. Students also get a highly professional on-campus laundry service on demand. Whilst internet access and STD facilities ensure close contact with family and friends outside, the fully equipped common rooms allow for that relaxed time with friends on Campus. Comfortable mess hall has also been provided. The hostel rooms are provided with table, chairs, cupboards, beds and hot water facilities. Every building is fitted with elevators.

Boys Hostel

Guest House

The Institute has separate GUEST HOUSE with all modern facilities, for boarding and other recreational activities. The Guest House has its own mess to provide good and hygienic food to the visitors. Each room is equipped with a bed, a study table, study chair and almirah. The Guest House provides newspapers and various magazines to make them aware of the daily happenings of the world. Guest is also facilitated with elevators.

Guest House

Gymnasium

Apart from these facilities a well furnished GYMNASIUM is also essential for the physical fitness of the students. As the saying goes "A Healthy mind in a healthy body" which is enough to emphasize that health is wealth, and it is always kept in mind of the administration of the group. Students not only want to get the technical knowledge but also want to get their body toned up. That is why Gym plays an important role in any campus. Our gymnasium consists of quite sophisticated machines and weights. Adding to it we have team of best trainers who train the students and faculty and are always ready to help or support them in any kind of exercise.

Transport

GGGI has its own fleet of buses to cater to the transportation needs of its students & staff. These buses ply to every corner of the city and outskirts. We provide bus facility from Karnal, Tararori, Neelokheri, Umri, Kurukshetra, Ambala, Ismailabad, Thol, Pehowa, Shahbad, Naraingarh, Barara, Samana, Indri, Ladwa, Parhladpur, Babain, Kharindwa, Isherpheri, Deeg, Ugala, Nalvi, Hamidpur.

Cafeteria

Cafeteria

College life is a huge transition to most of the new incoming students. Having to give up all the comforts of home, to live in a separate apartment is already hard enough, but one of the biggest changes in this new lifestyle these people are entering in is the food. Galaxy Global Group of Institutions has a separate 3 storey air conditioned cafeteria which serves healthy & hygienic food to the students. Cafeteria System contains a variety of modules, which makes cafeteria style serving a snap. Galaxy Global's cafeteria is unique in its look and experience.

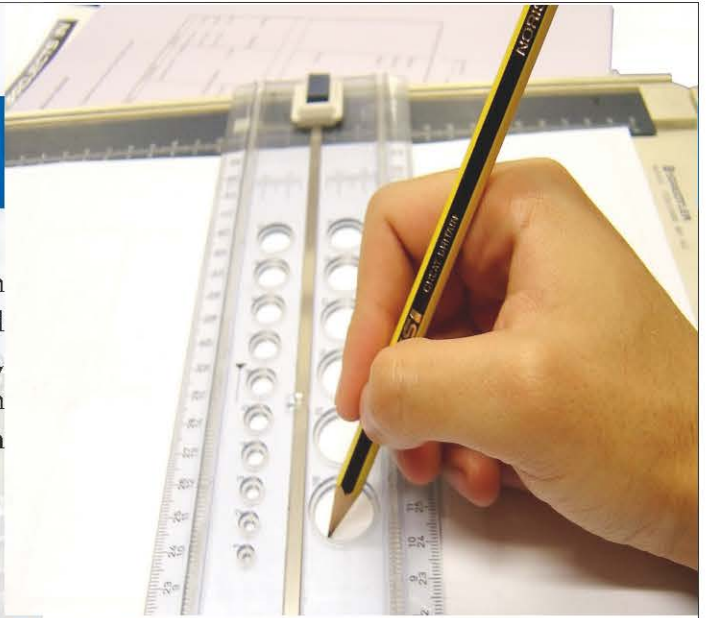

Interior View of Cafeteria

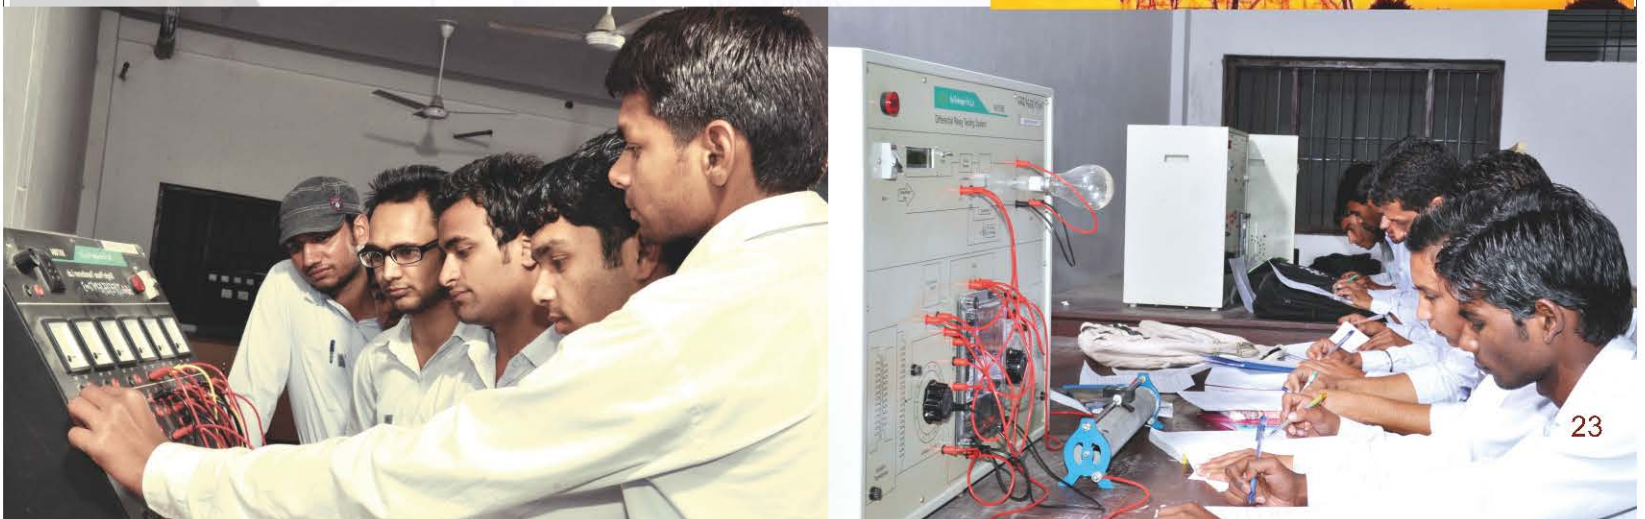

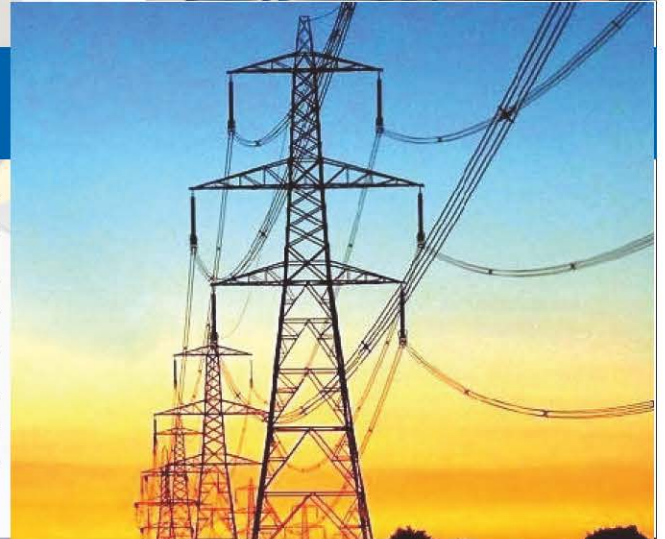

Civil Engineering

It is a professional Engineering discipline which deals with designing, construction and preservation of naturally and physically built environment such as roads, dams, canals, buildings and bridges. It takes place at all levels including both public as well as private sector. In the true sense, this stream provides the base for the real engineering needs of the nation.

Electrical Engineering

The department of Electrical Engineering aims to provide advance education in engineering that is relevant to electrical power generation, transmission, distribution and its utilization. Apart from the basic knowledge and skill in electrical engineering, the department runs under -graduate program to cater the ever challenging needs of technical excellence in all areas of electrical engineering such as integrated electronics and circuits, Computer technology, Control & Automation, Power systems & Power electronics.

Mechanical Engineering

Mechanical Engineering is considered as the mother of all engineering disciplines. Linking all branches of engineering together, Mechanical Engineering provides a foundation to the entire engineering education. Applications of Mechanical Engineering have spread into almost every industry. Started right from the origin of universe, Mechanical Engineering applications are working forever. And hence it is an evergreen branch. In addition to that, Mechanical Engineering has an everlasting scope. Being a Mechanical Engineer, you can find jobs in almost every sector like construction, software, auto and a lot more.. It covers some of the most interesting phenomena and principles of science & engineering including machine design, thermal engineering & fluid sciences etc

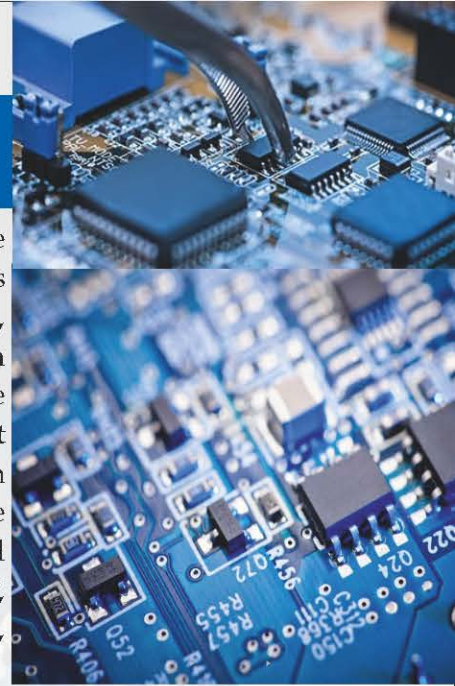

Computer Science & Engineering

Computer Science Engineering (CSE) is one of the popular courses among engineering aspirants which focuses on the basic elements of computer programming and networking. Students pursuing computer science courses will gain knowledge of design, implementation and management of information system of both hardware and software. Going by the name, CSE course deals primarily with the theory of computation and design of computational systems. The course is offered across the globe in technical institutions at undergraduate as well as postgraduate levels awarding B.Tech and M.Tech degrees, respectively. Every industry uses computers and problems in science, engineering, health care, and so many other areas can be solved by computers. It's up to the computer scientist to figure out how, and design the software to apply the solution.

Electronics & Communication Engineering

Electronics and Communication Engineering opens up great career prospects for the students. The students after completion of the degree can easily avail job opportunities in manufacturing industries and service organizations such as broadcasting, consulting, data communication, entertainment, research & development; and system support. The candidates can also work in modern multimedia service firms that are involved in real-time transfer of information through video conferencing and internet broadcasting. The opportunities are galore for electronics and communication engineers as they are employed in variety of sectors such as Indian telephone industries, civil aviation, development centers in various states, defense, posts and telegraph department, railways, Bharat Electronics Limited, DRDO, IOT, telecommunication, software engineering, power sector, hardware manufacturing, home appliance and VLSI design, television industry, research & development.

Applied Science & Humanities

The Department of Applied Sciences and Humanities is a part of B.Tech Programme. It teaches and promotes practical aspects of Applied Sciences and Humanities to build a solid foundation as part of the Engineering Education. The dept teaches the students to connect pure and basic science like Physics, Chemistry, Mathematics, Biotechnology, Biology and Environmental Science with engineering practices. The dept also has a fully developed Communication Lab to improve the communication skills of all students.

Faculty of Management

Galaxy Global Group of Institutions is completely committed to impart world class environment for Management studies and other related domains. We offer MBA & BBA programmes which aim at developing students' intellectual ability, executive personality & managerial skills through appropriate blending of business and general education. The programmes also provide rigorous training in Business Management encompassing areas such as General Management, Marketing, Human Resource Management & Finance. The emphasis is laid on contemporary issues affecting business & problems solving such as Management of change within increasingly dynamic environment and the development of Business skills across organizations and sectors.

Faculty of Computer Applications

The booming IT industry has opened new avenues for qualified computer professionals. To cater to this rising demand, our institute offers Bachelor of Computer Applications (BCA) & Master of Computer Applications (MCA) programs. Introduction of these courses marks our entry into the Computer Applications field, while keeping our commitment to develop competent and ethical computer professionals to serve IT industry and society.

Faculty of Fashion and Apparel Design

Bachelor of Fashion & Apparel Design (B.FAD)

One of the exciting career options in today's world is Fashion Designing. Fashion is a global business that provides a host of different components in which many specialities are available such as fabric and apparel production, designing, fashion marketing, fashion media, accessory designing etc. Only they need to be moulded by the experienced hands. Fashion industry provides lucrative jobs and helps in satisfying the creative fancies and materialistic needs of the job holders.

Multiple Entry and Exit in Academic Programmes as per NEP 2020

The multiple entry and exit options for students is facilitated at the undergraduate and Master's levels. It would facilitate credit accumulation through the facility created by the Academic Bank of Credits ((ABC) scheme in the “Academic Bank Account” opened for students across the country to transfer and consolidate the credits earned by them by undergoing courses in any of the eligible HEIs.

Academic Bank of Credits (ABC)

The Academic Bank of Credits (ABC), a national-level facility will promote the flexibility of the curriculum framework and interdisciplinary/multidisciplinary academic mobility of students across the HEIs in the country with appropriate “credit transfer” mechanism.

Multiple Entry and Exit in UG Programmes

Entry 1: The entry requirement for UG Ist Yr. (Level 5) is XII Pass.

Exit 1: A certificate will be awarded when a student exits at the end of year 1 (Level 5).

Entry 2: The entry requirement for UG IInd Yr. (Level 6) is a certificate obtained after completing the first year (two semesters) of the UG programme.

Exit 2: At the end of the 2nd year, if a student exits, **a diploma shall be awarded** (Level 6).

Entry 3: The entry requirement for UG IIIrd Yr. (Level 7) is a diploma obtained after completing two years (four semesters) of the UG programme.

Exit 3: On successful completion of three years, the relevant **degree shall be awarded** (Level 7)

Entry 4. An individual seeking admission to a Bachelor's degree 4th Yr. (Honours/Research) (Level 8) in a specified field of learning would normally have completed all requirements of the relevant three-year bachelor degree (Level 7).

Exit 4: On the successful completion of the fourth year, a student **shall be awarded a degree (Honours/Research)**.

Multiple Entry and Exit in PG Programmes

- Students shall be admitted to a two-year PG programme with the second year devoted entirely to research for those who have completed the three-year Bachelor's programme
- Students completing a four-year Bachelor's programme with Honours/Research, may be admitted to a one-year Master's programme
- There may be an integrated five-year Bachelor's/Master's programme.

Entry 5: The entry requirement for PG Course (Level 9) is

- A Bachelor's Degree (Honours/Research) for the one-year/two-semester Master's degree programme.
- A Bachelor's Degree for the two-year/four-semester Master's degree programme.
- A Bachelor's Degree for the one-year/two-semester Post-Graduate Diploma programme.

Exit 5: For postgraduate programmes, there shall only be one exit point for those who join the two-year Master's programme, that is, at the end of the first year of the Master's programme. **Students who exit after the first year shall be awarded the Post-Graduate Diploma.**

ALUMNI ASSOCIATION

Galaxy Global Group of Institutions is a center of academic excellence that has made significant and unparalleled contributions to society in terms of producing numerous scholars and intellectuals who have served and are serving different domains in India & abroad. Connecting to one's alma mater is always a great feeling and GGGI shares this sentiment and feels elated when it gets to know about the achievements of its former students after leaving the GGGI. The Alumni Association of GGGI is actively engaged in arranging reunion of these Alumni. These get together lead to reliving the past moments of the institute life and strengthening of the attachment with the alma mater. Besides this is a great opportunity for the Alumni to share their success stories with the current students of the alma mater.

Training & Placement Department

GGGI is a well renowned name in the field of education and is directly contributing to the overall education scenario of the region. Our students are working for some very famous companies in the country in different functions. We at GGGI strongly believe in the creation of good quality human resource with training of intellectual minds. To help students stand-out and gain competitive edge over the others, we stress on developing both functional skills and exceptional practical outlook. The Training and Placement cell works tirelessly towards ensuring employment for all students across various industries and helping budding entrepreneurs in establishing successful businesses. The Training and Placement department of GGGI organizes activities and workshops at a regular basis to enable students to be effective team leaders and players. The department is headed by eminent faculty with a proven track record and professionals who have made a mark in the industry. This association introduces our students to the concepts of corporate culture and a sense of influential patronage. With many firsts to its credit and an impeccable record to boast of the T&P cell works round-the-clock to ensure that the students of the Institute get placed in reputed companies at lucrative terms across various industries. The cell works with a twin-fold focus on augmenting internal competencies by contemporary grooming of students and enabling the industry to identify and absorb intellectuals with the requisite technical and managerial skills. The cell also provides assistance to students in applying for summer training and projects in various companies. The GGGI critically evaluates these summer training and projects as they form a part of the curricula. Many guest lectures by veterans across various industries are conducted every semester to enable students to understand real-life situations and experiences. This aims to make students ready to face situations which may arise in their professional lives. The T&P cell in co-ordination with the various technical and non-technical departments regularly organises industrial visits to acquire technical activities involved in production design, maintenance of engineering products in case of technical courses. For non-technical students these visits focus on learning through interaction with managers who share with the students the recent developments, strategies and market moves of the industry. The Training & Placement Cell of GGGI in collaboration with Veteran Group organizes PDP classes in every semester for the overall development of the students. GGGI, is associated with NSE to organise seminars, workshops and certified programs for the students of the department of Management.

Our Recruiters:

1st CONVOCAATION CEREMONY

Events @ GGGI

Sports & Recreation Facilities

A sharp mind needs a healthy body to support it. We at GGGI, provide the best possible facilities in terms of modern equipment, Spacious playfields and expert coaching staff provide the students with every opportunity to excel in sports and games. Our coaching system also trains the students to develop the traits of leadership, team spirit, cooperation & sportsmanship. The institute teams in various sports are encouraged to participate in several State and National Level tournaments. Intra-college tournaments are held in every sport/game.

Special coaching camps are also held to train those selected students who show encouraging potential in a sport/game. The Institute organizes hiking/trekking expeditions, excursions and picnics. Our aim is to bring the students closer to nature in her infinite variety and moods. To promote student's interest in games and sports, the Sports Cell organizes sports meet once a year and different matches and tournaments are held throughout the year. The Campus has facilities for indoor and outdoor sports-TT, carom, volleyball, cricket, and football.

Other Sports Facilities :

- Gymnasium with world class facilities
- Meditation and Yoga centre
- Swimming Pool
- Squash court.
